Learning Points

Asking About Intentions

When you talk about future intentions, you use the structure *be going to* + verb.

When you ask about intentions, you reverse the subject and the verb *to be* (*Are you going to ...*). The answer is Yes or No. You can also add a Wh-word to ask for specific information.

Question Word	Be + subject	Going To	Verb
	Are you	going to	sleep?
What	am I	going to	do?
When	is she	going to	come?
Where	is he	going to	stay?
Who	are they	going to	invite?
Why	are they	going to	leave?
